MEETING MINUTES

MARCH 11, 2020

Meeting was called to order at 3:30 p.m.

Attendance: John Shiovone, Thomas Millias, and Holly J. Merry
Attorney Lawrence Mayo, P.C.

Veteran and Senior exemptions were reviewed and approved.

The Board of Assessors discussed the River Street Solar project with Attorney Mayo, and the logistics of the PILOT program to be entered into with Bob Grant, the owner of the Solar array. The PILOT will be standard, with mutual terms with respect to valuation. More information will be needed during the meeting with Mr. Grant.

The Board and Attorney Mayo met with Bob Grant to review the PILOT. Mr. Grant requested more time to review and revise a proposal with the town of Halifax. The Board agreed to extending the discussion considering the numbers will need to be revisited given the actual vs. projected costs of the project. Mr. Grant will be in contact with the Board.

There being no further business, the Board adjourned at 5:20 p.m.
