New Commercial Buildings Floor Plan and Use Policy

On 01/05/2005 the Board voted unanimously to implement a policy requiring new commercial buildings and site plans to come before the Board of Health with a floor plan of the proposed building. This should also include changes of use.

A Motion was made to institute a policy of requesting new business owners to come into a Board of Health meeting when the Board receives notice of a Site Plan approval and/or Special Permit for a new business, to discuss the floor plan and use(s).

Motion: J. Weber

Second: J. Anderson
