

CLASS I LICENSE
APPLICANT INFORMATION

- (1) Check with Building Inspector - Thomas Millias - at 781-293-6557 to confirm this is an allowed use in the zone in which the property is located. Auto sales are allowed in a business zone, require a special permit in an industrial zone, and are not allowed in an agricultural/residential zone.

The attached form signed by the Building Inspector specifying the use is allowed or a special permit is required must be submitted with the application.

If a special permit is required, the attached form signed by the ZBA granting the special permit must be submitted with the application.

- (2) Check with the Planning Board at 781-293-1736 to see if a Site Plan review is necessary. **The attached form signed by the Planning Board stating a new site plan is not required or that a modified plan has been approved must be submitted with the application.**
- (3) Check with the Historic District Commission - John Shea - at 781-293-6691 to determine if the property is within the District zone. **The attached form signed by a member of the Commission verifying the property is not within the zone or that no restrictions have been placed on the license must be submitted with the application.**
- (4) Fill out the following forms: The multi-page Class I application (in duplicate), the Worker's Compensation Affidavit and the Attestation Form.
- (5) Submit the application along with all of the other forms listed in (1), (2), (3), and (4) above to the Selectmen's Office (781-294-1316). A meeting will be scheduled with the Board to discuss the application and any restrictions the Board may impose on the license. Abutters within 300 feet of the property will be notified by the Selectmen's Office. **Do not submit your application until the documentation with all of the other departments has been completed; these forms must be submitted at the time you apply for the license.**
- (6) State requires the License holder must have a building or separate office from which auto sales may be conducted in order to get dealer plates from the state.
- (7) Statute requires license holder to have adequate access to repair facilities to ensure warranty repairs.
