H. REDUCTION IN FORCE

1. In the event it becomes necessary for the Superintendent to reduce the number of employees in the bargaining unit because of budgetary limitations, reorganization or other similar reasons, the procedures set forth in this section will govern the layoff and recall of employees who are affected by any such reduction.
2. The Superintendent shall have the sole discretion in determining which position or positions or which type of types of positions are to be eliminated.
3. In determining which of its employees are to be laid off to accomplish any such reduction in force, the Superintendent will take into consideration the qualifications of employees holding a position in the job classification involved, the quality of their past performance in such position, and their seniority as hereinafter defined. Where, in the opinion of the Superintendent, the qualifications and quality of past performance of employees are substantially equal, employees will be laid off in the order of their seniority in the position involved, those with the least seniority to be laid off first. The standard of review in any arbitration arising out of or with respect to any decision made by the

Superintendent under the provisions of this Paragraph 3, other than a grievance arising out of a determination of an employee's seniority, shall be whether the Superintendent was arbitrary or capricious in making his/her decision. The arbitrator shall not substitute his/her judgment for that of the Superintendent in evaluating the qualifications and quality of past performance of such employee.

4. Seniority, except as is otherwise provided herein, shall mean an employee's length of continuous service in years, months and days in the employ of the Committee in this bargaining unit. In cases involving employees who have identical seniority, lots will be drawn by such employees to determine seniority. In determining in any particular job classification which employee shall be reached for reduction in force, the employee's seniority shall mean her seniority in a position in such job classification.
5. An employee who is to be laid off shall be given fifteen (15) days written notice of her proposed layoff.
6. An employee, who has been laid off or in lieu of being laid off has been reduced to a position with fewer hours in the bargaining unit, shall be entitled to recall rights, in the inverse order of her layoff or reduction to a position with fewer hours, as the case may be, to a position for which she is qualified for a period of eighteen (18) months, except as is otherwise provided herein, from the effective day of her layoff or reduction to a position with fewer hours. An employee, who has not been involuntarily reduced to a position with fewer hours, who has been laid off shall be entitled to recall rights, in the inverse order of her layoff to a part-time position for which she is qualified, for a period of eighteen (18) months, except as is otherwise provided herein, from the effective date of her layoff.
7. During the recall period, an employee will be notified by certified mail, addressed to her last address of record, of the Superintendent's intent to recall her. The employee must notify the Superintendent, in writing, of her acceptance of an offer of recall within fifteen (15) days from the date of her receipt of said certified mail. An employee's failure to so notify the Superintendent of her acceptance of any such offer, or her failure, after accepting any such offer, to report for duty on the date indicated shall terminate her recall rights notwithstanding the fact that the eighteen (18) month period of recall has not expired. An employee who is recalled shall have at least two (2) weeks to report for work.
8. To the extent allowed by law and the insurance carrier's policy, employees may continue, during the period they are eligible for recall, the group health and group life insurance which is provided to members of the bargaining unit, by paying the full amount of the premium for such insurance to the Town Treasurer. In the event any such employee fails to make payment of said premium or refuses any offer of recall to a full time position, as the case may be, her option to continue such insurance shall terminate. A part-time employee may decline an offer of full time employment without loss of her option to continue such insurance.

9. An employee, who is reemployed by the Superintendent within said eighteen (18) month period after the termination of her employment under the provisions of this section, shall have restored to her all benefits she had accumulated at the time of her layoff.

The provisions of this section shall not apply to the termination of an employee for any reason other than the reasons specified in Paragraph 1 hereof.

I. GRIEVANCE PROCEDURE

The purpose of this Article is to establish a procedure for the settlement of grievances which involve the interpretation and application of a specific provision of this Agreement. All such grievances shall be handled as provided in this Article.

1. The objective of both parties is the prompt resolution of all grievances at the lowest possible organizational level. All grievances shall be promptly considered solely and strictly on their merits.
2. A grievance is a dispute involving the meaning, interpretation, or application of any or all provisions of this Agreement.
3. Failure at any step of this procedure to communicate the decision of a grievance within the specified time limit to the aggrieved party shall permit the aggrieved party to proceed to the next step.

 7. Settlements of grievances hereunder will be retroactive if the case demands, but in no event shall a settlement be retroactive beyond the date on which the grievance was first presented to the Principal.

J. TERM

This Agreement shall be effective July 1, 2017 and continue in effect to and including June 30, 2020, and shall thereafter automatically renew itself for successive terms of one year, unless by October 1st prior to expiration of the Agreement, either the Committee or the employee shall have given the other written notice of its desire to amend or terminate this Agreement.

NON-INSTRUCTIONAL STAFF EVALUATION PROGRAM

The School Committee and Administration recognizes that the regular appraisal of staff performance is critical to the realization of district goals. This requires the development of a process whereby all staff members may increase the effectiveness of their services to the district.

I. PROGRAM PURPOSE

The primary purpose of the evaluation program is to promote the growth of individual staff members and to strengthen school district support services. A broader purpose of the evaluation program is to assess employee competence and to make decisions regarding the assignment and employment of staff. To this end, the evaluation program has six (6) major objectives:

- A. To clarify duties and responsibilities of employees.
- B. To provide a means for acknowledging employee achievement.
- C. To encourage employees to work toward their own self-development.
- D. To identify performance areas where improvement is required.
- E. To help the district identify employees capable of assuming greater responsibilities.
- F. To make decisions regarding continuation of employment.

II. RESPONSIBILITY FOR SUPERVISION AND EVALUATION

All non-instructional staff members will be evaluated on an annual basis. It is the responsibility of the building principal or administrator in charge to inform each staff member of this policy and the procedures for evaluation.

The primary responsibility for supervision and evaluation is held by the building principal or administrator in charge and additional administrative/supervisory personnel as designated by the Superintendent of Schools.

Evaluation reports are the responsibility of the building principal or administrator in charge.

III. EVALUATION PROGRAM AND PROCEDURES

Performance evaluations are categorized as Annual, Probational and Special.

- A. Annual - An annual Evaluation Report will be completed each year no later than June 15, covering all permanent employees who have not been evaluated within the preceding ninety (90) days.

Annual performance evaluation reports will be completed by the principal or administrator in charge. The evaluation report will be based upon the performance of the employee for the year.

A conference will be held with the employee prior to June 30, to review the annual performance evaluation

B. Probationary:

All new hired employees shall be scheduled for a probationary period of ninety (90) days. They shall be evaluated twice during their probationary period, once at the end of the eighth (8th) week and the second evaluation shall be completed no later than the end of the eighteenth (18th) week.

All non-instructional employees transferred to a new job category shall be scheduled for a probationary period of thirty (30) days.

Transferred or promoted employees who continue in a probationary status shall be evaluated at least twice during their probationary period. An initial report shall normally be completed no later than the third (3rd) week of employment.

A second evaluation report for continuing probationary employees shall be completed upon the completion of the sixth (6th) week of employment.

A conference will be held with the employee following the completion of each probationary report.

The performance evaluation covering a probationary employee is the basis for determining whether a probationary employee will be granted permanent status or terminated.

C. Special:

A special evaluation report covering a permanent employee may be completed by the administrator in charge at any time. This report will normally be used as a follow-up report in any case where an employee receives an unsatisfactory annual rating or at any time where an employee's overall performance is deemed to be unsatisfactory.

A conference will be held with the employee, following the completion of a Special Report.

IV. CRITERIA FOR EVALUATION

In evaluating employees' overall performance, the listing of Performance Areas for Evaluation are to be considered significant. The criteria used for evaluation are neither restrictive nor limiting and their purview may be modified to best suit individual circumstances.

V. REPORT PROCEDURES

Each employee to be evaluated shall receive a copy of any evaluation report. The signature of the employee will appear on the report to indicate the receipt of such report. The individual evaluated may submit a written response to any evaluator within ten (10) days of receipt of such report.

Upon written request, an individual shall be permitted to examine evaluation reports on file in the District Office.
