

FEBRUARY 2017

Author John F. Gallagher
will speak

Saturday, February 25
11am

Nearly 150 years ago, the Massachusetts state constabulary launched an investigation into the brutal murders of three elderly people at their farmhouse on Thompson Street in rural Halifax. The story of the murders and the aftermath has been passed down through the generations and has become part of local lore. Until now, no comprehensive, definitive account has been published.
