Hours of Work

- The Fire Chief agrees to devote that amount of time and energy which is reasonably necessary for him to faithfully perform the duties of the position including but not limited to: a regular daily schedule, evening and weekend/holiday work as needed or required.

As a responsible manager he will devote such time and energy to the management of the Department as required. As the leader of the Fire Department the Chief is expected to and agrees to be available for and to respond to the Town to be in command of the Fire Department during such events.
- The Fire Chief reports to the Board of Selectmen or its designee, therefore the Fire Chief will be available to attend meetings of the Board of Selectmen or other meetings of Town Officials and Boards (including but not limited to Town Meetings, annual and special) when necessary to address matters of concern regarding the Fire Department and/or public safety and security as necessary. In addition the Fire Chief agrees to keep the Board of Selectmen or its designee advised regarding times when the Fire Chief expects to be absent from Town or otherwise unavailable.
- The Parties agree that the Fire Chief is a community leader and as such, understands and agrees to participate/be available for public events and celebrations (for example Memorial Day celebrations, Holidays in Halifax, Fourth of July/Halifax in Lights celebrations).
- The Fire Chief is a full time employee of the Town and shall accept no other employment, provided however, the Fire Chief may teach or consult on a part time basis outside of the Fire Chief's regular work hours so long as such part time work or activities do not interfere with or conflict with the Fire Chief's duties to the Town nor otherwise present a conflict of interest.
- The position of Fire Chief is managerial and confidential and as such the Fire Chief is considered an exempt employee for FLSA purposes. The Fire Chief's position is a salaried managerial position and thus the Fire Chief is not eligible for overtime pay.

Residency

The parties agree that due to the nature of the Fire service/emergency management service that the Fire Chief must be able to respond to events, emergencies, storms, civil upset/unset, fires, etc. quickly even when home. Therefore, the parties agree that the Fire Chief **SHALL** continue to reside within 15 miles (as determined by way of calculating the mileage as one travels on available public streets) of the fire station during the duration of this contract. Currently the Town has only one fire station which serves as the fire headquarters. - As the leader of the Fire Department and as a community leader the Fire Chief is expected to conduct himself appropriately at all times. The parties understand and agree that even when not on duty that the Fire Chief still represents the Town and therefore agrees that the Fire Chief will not engage, at any time, in activities that would cause public scorn, humiliation or concern.
