**REMARKS:**

---

---

Per:

# WOLF TRIM

SMOOTH

- Easy to work with
- Lightweight, high-cell density PVC
- Highest quality sealed edges
- Won't absorb moisture
- Can be cut, drilled, routed, mitered, nailed or glued just like wood — no special tools required
- Can be heat-formed
- Suitable for ground masonry contact applications
- Never needs to be painted — unless desired
- Matching moulding profiles
- Matching Cortex® plug fastening system available

Actual delivered products may not appear exactly like this sample nor printed or display products. Storage conditions, aging and other tendencies can create slight variance. Annual sample replacement is recommended.
