Next Meeting: *TBD*

Meeting Attendees:

Janice Hayward, Kathy McLaughlin, Susan & Mike Hill, Jonathan Selig

Meeting Topics:

- **Fall/Winter Craft Fair**

We discussed the possibility of a craft fair for Christmas. The church is having a fair on 11/19. We don't want to compete with them. The following week will be Thanksgiving. The committee decided to aim for 12/3. Janice will get us on the agenda for the next Selectmen's meeting on 10/11. Once we have approval, Susan to post on Fireworks Facebook, as well as South Shore Crafters Facebook page and other local pages.

In 2019, we charged \$35/ table. We will charge the same and request an item donation for a silent auction.

The craft fair would be 9:00 am to 3:00 pm. We would want a food truck present from 11:00 am to 2:00 pm. Set up for the fair vendors would be 7:00 am.

It was suggested that we have a food truck present during the day to feed shoppers and vendors. Susan suggested we invite Mama Deb's. Susan will reach out to them once the date is finalized. We would not require a fee from Mama Deb, but would request that they have a Fireworks Donation jar instead of a tip jar.

Once date is confirmed by Selectmen, Janice to reach out to 2019 vendors through email.

We were joined at the end of the meeting by Jonathon Selig, who agreed to add to the next selectmen's meeting. Janice and Mike will attend Selectmen's meeting.
