Photography by Susan Zimmerman

Photography Exhibit

Photographs by Halifax resident Susan Zimmerman are on display in the Community Room through September.

The photographs were all taken during the Hermann's Royal

Lipizzan Stallions show at the Middleboro 4H Association in 2012 and 2014.

The Hermann's Royal Lipizzan Stallions riders tour New England every year, and have appeared in Middleboro for at least three years. The horses

are all purebred descendants of the war-horse used by Austrian royalty.

Over 300 years old, the Lipizzan line was saved from extinction by General Patton during World War II.

Acknowledgments & Thanks

In addition to the many hours that volunteers put in to help the library, we would like to acknowledge the fantastic help of the Buildings & Grounds crew, especially with special events such as the Company H show at the Great Hall last month.

We are also very happy to have new Staff Parking signs and for the work that was done to replace/repaint the exterior window sills on several really hot summer days. There are

many more examples that we appreciate very much.

Thank you, Gerry, Tom, Brenda, Dylan, and Zach!

Thank you to John Kessinger of the Halifax Beautification Committee for planting trumpet vines beside the Reading Garden pergola.

Special thanks also to Paul Murray for securing the Ruth V. Perkins Reading Garden pergola's benches so they won't tip over!

To Life! Celebrations in Story & Song

Display Case

Lighthouse memorabilia from the estate of the late Raymond "Skip" Empey of the Friends of the Boston Harbor Islands are on display through September, courtesy of Kevin Rogers.

New OverDrive Update Coming Out Soon

What's different with the new OverDrive app update?

The updated version of the app being released in mid-September will eliminate the need for new users to obtain an Adobe ID, by having users set up an OverDrive account instead. (Current users who already have what was called an OverDrive One account shouldn't need to change anything.)

The OverDrive account will sync bookmarks and keep your place in the e-book on all of your devices. Also, ePub e-books will be able to be returned early!

Also, the name will now be "OverDrive" instead of "OverDrive Media Console."

How do I get the app?

Download the OverDrive app from wherever you usually get your apps (e.g. GooglePlay, iTunes, etc.)

How do I figure it out?

Schedule a one-hour one-on-one session with us; try the new, enhanced OverDrive Help feature; or check out our own new E-Book Help Page at <http://www.holmespubliclibrary.org/eBooksHelp.html>.
