Dear Parents, Caregivers, and Guardians,

We are reaching out to families to gather information for incoming kindergarten registration for 2022-2023. At this time, we ask families to complete the Pre-Registration Form below so that we may begin to generate our contact list. Please share this information with any families that may have a child who is eligible for entering kindergarten this Fall. The other dates listed below are tentative and we will keep you updated as we get closer to finalizing our plans.

- **Kindergarten Pre-Registration Opens Today**
 - This is a pre registration form for parents and/or guardians to indicate if they plan to send their child to Kindergarten at Halifax Elementary School in the 2022-2023 school year. (Child must be five years old by August 31, 2022.) The form will be used for planning purposes only and a packet will need to be filled out to complete the registration process.
